Contractor Selection Determination:
Per Section 10.11.13 Awards of the Ninilchik Traditional Council (NTC) Policies and Procedures, award shall be made to bidder whose offer is responsive to the solicitation and is most advantageous to the Council, price and other factors considered, under the Indian Preference guidelines. The lowest responsive bidder which is most advantageous to the Council out of the three proposals received is Inlet Pro Enterprises. NTC finds Inlet Pro Enterprises bid to be fair and reasonable therefore the bid will be awarded to the bidder who possesses the ability to perform under the terms and conditions of the proposed procurement.

Inlet Pro Enterprises is awarded the contract under this procurement and has been determined to be the lowest responsive bidder which is most advantageous to the Council.

Shelley L Selig, For
Ivan Z. Encelewski, NTC Executive Director
