You must pay at least the stated wage rate per class to be in compliance with NTC's Prevailing Wage Rate Ordinance. A copy of this wage rate must be posted at the job site. A payroll summary, Article 4.00, Employer, needs to be submitted with the final billing for the project. This must include name, address, class, wage rate paid and total wages for each employee. On site employee interviews will be conducted for violations. Attached is a copy of NTC's Prevailing Wage Rate Ordinance, please read it carefully.
